

Dear Member,

I am writing this letter to inform you that the dues contributions from our local chapter's general fund to our political action account are not tax deductible. This amount for the 2023 calendar year amounts to a total of \$10.00. Please deduct this amount from the calculation of your total association dues of \$1,137.00 when preparing your taxes for the 2023 tax year.

The following is a breakdown month-by-month of your dues payments for last year (2023) for your tax reporting purposes. The need to report this amount varies depending on your own tax situation. Please speak with your personal tax preparer. The entire dues contribution is in the amount of \$1,137.00 with the exception of the \$10.00 that was transferred to our political action committee (for those who chose to allow the transfer). Thus, you have a total contribution of \$1,127.00.
